### **LONGEST TENURED HEAD COACH:**

**PAT FREEMAN 15 YEARS**

### **HISTORY OF OUR PROGRAM:**

*The Conchs of Key West High School began playing football in 1927, but there was a team in 1925 & 26. It was the Monroe County High School Conchs. The first head coach was Millard Anderson. His record was 0-6-1 in that season as head coach. In 26, the Monroe County High School went 1-4-3, and then they became the Key West Conchs in 1927. The first season in fall of 27, the Conchs would have a record of 3-2-1 with Coach Anderson. Their very first win was against the U.S. Marine Team winning 25-0. The Conchs traveled by boat to St. Petersburg and Fort Myers. The very first away game was in St. Petersburg against State Champions St. Pete Green Devils, and the Conchs fell just a bit short, as the final score was 28-0, which was a*

*huge improvement from the year before in which the Monroe County Conchs lost 96-0. The home games were played in the afternoon at the Army Barracks field (which we know as Peary Court), and the bleacher less fans would follow the team up and down the field. Travel was difficult as you can imagine. The weather and long boat rides were a factor. The 1927 Conch Yearbook documents a trip to Fort Myers to play the Green Wave as follows:*

*“The next game was with Ft. Myers and after a fake start in which the team was forced to return to the city owing to rough weather, rather than disappoint Ft. Myers the team made another attempt, arriving there after a 25 hours of sea travel. The boys were in no condition to play, and we suffered a defeat at their hands by a score of 33-0.”*

*This is what I found from Charles Randale who wrote about the Keys sports history on that same trip to Ft. Myers. “In Oct. of 26, the Conch football team was rescued at sea after their steamer, the vessel Halifax sprung a leak just 6 miles from the shores of Key West. The 23 hardy youths bailed water as they waited on the Coast Guard to rescue them. After a short trip back to shore they boarded a Coast Guard vessel and made their way to Ft. Myers to play the contest.*

*The following season the Conchs went back to St. Petersburg and only lost 28-0. The Conchs played eight games in season two going 1-4-3, and had their very first winning season in 1927, going 3-2-1. This is how the Conchs traveled to games other than a vessel. They would drive to Big Pine and then board Henry Flagler’s train. They would take the train to Islamorada and then get on buses to their final destination.*

*Football stopped after the 1927 season and wasn’t resumed until 1951. This renewed interest was made possible mainly through the efforts of the Key West Jaycees, who spearheaded an intensive drive to secure the necessary equipment and funds. To this organization and to the Quarterback Club, who provided everything from Barefoot League uniforms to sod for Wickers Field, to the Halfback Club, school administration, and the many civic-minded people who donated their time, money, and efforts, the youth of Key West High School owe a debt of gratitude.*

*When football resumed 23 years later, Fred Dopp, Glynn Archer Sr., and Fred Carbonell had sons who played on the 51 squad, and Earl Yates had a son on the 53 team.*

*In the 51 & 52 seasons, the Conchs flew to the Panama Canal Zone to do a home and home series with Cristobal High School from Coco Solo. Cristobal is the sister naval base to our Boca Chica Naval Air Base.*

*In the 55 Season, two teams from Tennessee came to Key West to play, Jackson, and Chattanooga.*

## **CHAMPIONSHIPS:**

*The Conchs very first championship was the 1953 season, as they were CO-CHAMPIONS with South Broward in the Gold Coast Conference, with a perfect season 8-0-2. Our first District Championship was 1975, under head coach Dave Matheson, our other District Championships were in 77,78,79,88,89, & 95. Our only state final appearance was in 1989 under Head Coach Pat Freeman. This was the first year the FHSAA moved the State Championships to a neutral site. If they would have stayed with the previous format, the*

*game would have been a home game in Key West at Tommy Roberts Memorial Stadium. The weather in Daytona Beach was brutal, dark gray skies, temperatures in the mid 30's and a wind-chill of 25 degrees. The Conchs were shell shocked by the weather, but they left it all on the field that day, losing to Live Oak Suwanee 27-10. 3,000 loyal Conchs made the trip to Daytona Beach.*

*We have had two undefeated seasons. 1953 the Conchs were 8-0-2, and a Perfect season was achieved in 2014, Going 11-0, winning the GOLD COAST CONFERENCE CHAMPIONSHIP under the leadership of Head coach Johnny Hughes. There has only been one season where the Conchs did not win a game, in 1967, they finished 0-10-0.*

### **RADIO/TELEVISION BROADCASTS:**

*In 1987 a deal was struck by Gayle "Swifty" Swofford, Principal Tommy Roberts and Glynn Archer Jr. to start broadcasting the Conch Football games home and away on the radio. WKIZ 1500 AM was the station, and the broadcasters were Gayle "Swifty" Swofford and his color commentator Todd Swofford. After the 88 season "Swifty" left the booth, and Timothy Lee Swofford took over as Todd's color commentator. Timothy Lee worked until 97, then became the producer from 1998-2002. The broadcast moved from station WKIZ to a better signal on the Spottswood's owned station, WKWF 1600 AM starting in the fall of 94. Rick Lopez joined Todd in the booth in 1998 as his color commentator. Todd retired in 2005 but will always be known as the "Voice of the Conchs". Rick Lopez takes over as the lead voice and Coach Judd A. Wise became Rick's color commentator. Todd is the producer of the show at "WAVK EL NORTE." In the fall of 2020, the station changed to WAVK 97.7 FM, 100,000 watts of power. Rick and Judd still broadcast all the games home and away for the Conch fans to enjoy.*

*In 2021 The Conchs entered a new era of technology by live streaming all their games on You Tube. The Website was started by Sebastian Dietrich. KWHS.Live, now all Conch fans can watch live, and listen to Rick and Judd's broadcast, just like they were watching an NFL game.*

### **DOUGLAS HIGH SCHOOL:**

*In 1948, Douglas High fielded it's first gridiron team. They were led by Coach Alfonso Dean. The very first game was against Miami Carver High. They played Everglades Vocational High of Belle Glade for homecoming. They had a huge homecoming dance and crowning of Miss Douglas High. They went 0-2 in their very first season.*

*In 1950, the tigers played their games at Ocean view Park. Members of the squad were: leslie McCloud, Kenneth Carey, Gerald Poitier, Eldridge Curry, Donald Adams, Wilford Raymond, Wm Robinson, Wm Curry, Kenneth Butler, Floyd Culmer, Ralph Welters, Wm Pittman, Norman Woods, Wm Knowles, George Demeritt, Richard Hall, Theodore Suarez, Solomon Scott, Edward Scott, Harry Rivas, George Bain, Hilton Williams, George Sears, Charles Clarke, Ellsworth Edwards, Edward Clare, J. Allen, C. Leland, W. Stewart, F. Terry,*

*F. Tynes, R. Manuel, A. Scott, and A. Davis*

*In 1951, Douglas High played their home games at the Naval Base Key West. They played Roosevelt high of West Palm Beach and lost 19-0 as they scored all their points in the final 4 minutes.*

*In 1953, fielding one of the best teams in tiger history, Coach Dean's tigers led by Donald Carey's 3 td's whooped Stuart Vocational High 39-0. Members on that team were: Donald Carey, Samuel Hannibal, Raymond Hannibal, Rufus Rolle, John Saunders, Wm Carey, Willie Haggins, Weldon Dean, Theodore Suarez, Edward Clarke, Nathanel Bennett, Hugh Bryant, Robert Whyms, Joseph Kee, Wm Edwards, Floyd Sweeting, James Poitier, Alfred Curry, Carl Adams, Marvin Castillo, Lionel Ashe, Joseph Carey, kernel Albury, Wardell Hanna, Bruno Cattlin, A.D. Montgomery, Hoseph Mills, Richard Hall and James Leland.*

*In 1965 Desegregation took place in the USA, and all three high schools became integrated. Douglas High shut it's doors with a career football record of 4-11-1.*

*Charles Walker became the first Black Athlete to compete at Key West High School.*

### **MARY IMMACULATE:**

*The Mariners started football in 1965, I was able to find 14 years of seasons and their records. The best season was 8-2-0 by coach Darold Leto. The overall record for the 14 years was 55-82-1. There were seven different head coaches.*

### **TIDBITS OF HISTORY:**

- \* First season was 1925, Millard Anderson was the very first coach the school was the Monroe County Conchs*
- \* First season as the Key West Conchs was in 1927.*
- \* Football is disbanded in 1928 due to the depression and the economic woes of Key West.*
- \* Football is restarted in 1951.*
- \* Ken Bazo is the first Conch to be named 1st Team All-State, an offensive lineman, and the first gridiron to go play major college football at FSU.*
- \* The Conchs flew to the Panama Canal Zone for a game against Cristobal High in '51. They get to tour the canal zone and are treated to banquets while there.*
- \* Deanna Archer became our very first Homecoming Queen. They called it the Football Queen back then, and she was selected by the Football players in '51.*
- \* All games from '51-54 were played at the old Wickers Field which is now George Mira Field.*

## **BY THE DECADES:**

### **1920's:**

The Conchs did field teams in the 1920's. They were the MONROE COUNTY HIGH SCHOOL CONCHS in 1925, & 1926. In 1927 they became the Key West Conchs, and Millard Anderson was the very first Head Coach. The program shut down after that season due to the economic woes. The Conchs traveled by boat to their away games.

Here is the list of players from the 20's. Earl Yates, Floyd Ayala, Harry Capo, Victor Larson, Glynn Archer Sr. Robert Dopp, Joe Cleare, Octavio Recio, Joe Varilla, Frank Piodella, Robert Bethel, Darnell Carrey, Murray Barker, Fred Carbonell, Leslie "Rope" Russell, Kermit Baker, Joe Pierce, Billy Arnold, Stewart Walker, Earl Jackson, Robert Knight, Floyd Roberts, Theron Gato, Maurice Cruz, Gerald Hernandez, George Adams, Reggie Trevor, Isadore Weintraub, Philip Cosgrove, and Munson Johnson.

### **50's:**

Football started back in 1951. Our first opponent was Lake Worth High in West Palm Beach. Their newspaper had never heard of Key West and they referred to us as the "Golden Shrimpers." Key West Lost 22-12. The Conchs played what was called an "International Game" as they flew to the Panama Canal Zone for a contest against Cristobal High. They were the public high school on the Naval base and they were the sister base to Naval Boca Chica. The Conchs were treated like royalty but did not return the favor as they won the game 2-0. The following season Cristobal High flew to Key West and we treated them like royalty except when we played and won that game 21-12. The 53 season was great as the Conchs went undefeated with a record of 8-0-2, and we won our first Conference Championship. The 54 season was led by the "Black Bean Brigade" as the offensive line returned and they were beasts. The Conchs continued their winning ways and went 8-1-1. Chattanooga City High from Tennessee came to Key West, and they battled to a 0-0 tie. The coaches from Chattanooga were thoroughly impressed with the Conchs and stated "They are better than any team in Tennessee!" The 55 season was led by our first All-American Red Stickney. Red had a fabulous season and went on to play for the Crimson Tide of Alabama. The 56 season was a disappointment, but the Conchs fought hard. In 57 the Conchs had a new Head Coach and abandoned the Single Wing formation for their new T Formation. Improvement was shown as they finished the year 5-5. In 58 the Conchs had a new signal caller in George Mira, and a great receiver in Sam Holland Sr. along with Major leaguer John "Boog" Powell to help lead them to a 7-3-0 record. 59 was one for the books, and I mean record books. Led by the "Matador" George Mira, Key West went 9-1-1. Key West had to play SouthWest twice, and in Miami for the championship that year. 1,500 loyal Conch fans made their way to the famous Orange Bowl to watch the game. Injuries hurt the Conchs and they lost 21-7. George Mira went on to the Univ. of Miami, and Boog Powell to the Baltimore Orioles.

Here is the list of key players in the 50's: Bobby Cooper, Billy Osterhoudt, Armando "Bookie" Henriquez, Peter Knight, John Cruz, Javier Oropeza, Glynn Archer Jr., Ronnie Pinder, Stu Logan, George Haskins, Harold Solomon, Gibby Gates, Red Stickney, Vincent Catala, Wayne Brantley, Julio Henriquez, Make Cates, Joe Russo, John Demeritt, John Carbonell, L.T. Curry, Earl Weech, Everette Atwell, Stu Yates, Ray Bazo, Randy Warren, Jimmy Mira, Davis Yates, Bobby Spencer, Lionel Rojas, Al Yates, Neil Jeffcoat, George Mira, Boog Powell, Sam Holland Sr., Clark Knight, Dennis Salinero, Mike Villa, Eddie Jeffcoat, Robert Santana, Mike Hughes, and Bobby Harris.

## 60's

The teams of the early sixties' 61-62-63 had great seasons. The 63 team beat Coral Gables High who at the time was the number one team in the state and nation. The middle 60's, '64-68 did not have the best of seasons. 1966 was the last year in the Gold Coast Conference, and in 67 the Conchs joined the Greater Miami Athletic Conference, where we were the smallest school population wise.

Here is the list of key players in the 60's: Darold Leto, David Ogen, Nathan Eden, major leaguer Carl Taylor, Tommy Roberts, Bobby Menendez, Chuck King, Mike Blatt, Jerry Hughes, Ben Lowe Sr. Fred Gandolfi, Bill Trout, Harry Lariz, Fred Salinero, Ronnie and Randy Poindexter, Charlie Lopez, Jim Babbit, David Lariz, Freddy Varela Sr., Danny Sellers, Mike Reeder, Arthur Bain, Larry Brock, Steve Atwood, Tony Nunez, Mike Raymond, Stash Valdez, Kenny Wardlow Sr., and Clarence Higgs.

## 70's

The early 70's were very tough. The Conchs had to play the big boys out of Miami in the GMAC. They battled well, but with schools being bigger, and more athletes to choose from it was difficult competing. In 74 the Conchs left the GMAC, and they were able to schedule schools in similar size and ended up 5-5-0. 75 saw the FHSAA begin what they called District Play. You had to play the schools in your District and the team with the best District record moved on to the State play-offs. Key West won the District in their first year and traveled to Dillard High to play in the Regionals. Dillard proved too much, and the Conchs lost. The first game of the 75 season was played in Naples against Naples High. Peter Staver was the Naples Defensive end and in that game he attempted a tackle and lunged for the ball carrier and but ended up in a pile of players. He tried to get up but collapsed on the field. He was immediately taken to the hospital where he passed away three days later. Naples High Field is called Staver Field. The running back he was trying to tackle was Gerald Portier. In 77, Head Coach Gene Roberts came in and invigorated the Conchs, and they three-peated the District in 77-78-79, and won regional championships in 77 & 78.

Here is the list of key players in the 70's: Danny Jimenez, Pat Labrada, Artie Grizzle Sr., Alolfo Avel, David Gootee, Mike Jolly, Ron Saunders, Mike Rodriguez, Kenny Allen, Peter Estevez, Robert James, Steve Bringle, Leon Edwards, Eddie Roberts, Louie Pazo, Sid Potier, Richard "Bo" Howard, Skip Parker, Terrance Butler, Philip Bethel, John Fallon, John Morrell, Kevin Butler, David Adair, Carlton "Papa" Howard, Greg James, Danny Oropeza, Bert Budde, Mark Russell, Vurna Staffney, Bubba Osterhoudt, Jay Paul, Tony Roberts, Scott Atwell, Bobby Channel, Robert "Speedy" Neal, Preston Roberts, Mark Jolly, and Jeff Burkett.

## 80's

Head Coach Gene Roberts stepped down after the 80 season and Pat Freeman took over as the new Conchs Head Coach. 81-83 were winning seasons, and 84 a .500 season. 85-86 the Conchs stumbled to two losing seasons, but 87-89 were some of the best seasons in the history of our program. Great athletes, tremendous work ethic in the weight room and at practice helped lead the Conchs to back to back district titles in 88 & 89. The regional championship was hosted by the Conchs in 88 against the number 1 team in the state, the Clewiston Tigers. Led by a ferocious offense, the Conchs took out the Tigers. Next up in Key West was Wauchula Hardee, and this was for the sectional championship. Key West looked good. Then it happened, after a 17 yd run, starting QB Corey Sawyer was tackled and broke his collarbone. Key West ended up losing. Both the regional and sectional games were played in front of a packed TRMS, estimations were 3,000 plus Conch fans. In 89, the Conchs had to be on the road for the regionals as they traveled to one of the most difficult places to win, Belle Glade. The Conchs went in there with no fear and took out No. 1 Belle Glade 16-15. What a game, and the Belle Glades fans were in shock, asking "Who are these Conchs???" The following week the Conchs had to travel to Avon Park for the sectional championship and with all the confidence in the world, they crushed Avon Park 42-12. Our little town shocked the State and would be playing for their first State Title!! The FHSAA made a change for this season, and for the first time, the state championship was played at a Neutral Site. This would have been the year that Key West would have hosted the title game. Can you imagine what the crowd would have been? I bet we would have topped the 53 game against Tampa Jefferson. The Conch coaches and team made the eight hour trip to Daytona Beach along with 3,000 loyal Conch fans. The game was the first weekend in December, and the weather did not cooperate. Being from South Florida, the Conchs were use to temperatures in the 60's, but in Daytona Beach, the first major cold front came through and it brought record lows. The game was played with dark overcast skies, temperatures in the mid 30's, the wind howling with windchills around 25. Key West gave it their all, but in the end, Live Oak Suwannee won 27-10. What a way to end the decade.

Here is the list of key players in the 80's: Steve Oropeza, Randy Ely, Kenny Alston, Trond Welters, John Correll, Donnie Catala, Kenny Rhaming, Carl Allen, Danny Mariscal, Randy Acevedo, Joey Gandolfo, James Howard, Alvin Whyms, Gerald Portier, Donzell Leggett, Dedrick Bethea, Mark Sellers, Rick Lopez, Tony Estenoz, JoJo Cabanas, Jason Doughtry, Johnny Hughes, Ralph Major, John Jackson, Bobby Highsmith, Morgan McPherson, Mark Vigneaux, John Ganem, Keith Raymond, Mike Cates, Shane Sweeting, Steven Veliz, Stanely Payne, Joey Venice, Calvin Jackson, Joe Lowery, Chaz Freeman, Earl Findley, Kenny Lopez, Joe Grassi, Scott Szmansky, Leo Olatin, Brandon Walterson, Phillip Pierce, Artis Clark, Corey Sawyer, JP Garcia,

## 90's

The 90's saw the Conchs have 6 different head coaches. Pat Freeman, Andy Siegel, Fred Dennen, Bobby Menendez, Gerry Hughes, and Greg Kremer. When Coach Freeman stepped down after 13 seasons, the Conchs went out of town for their next hire. Andy Siegel became the new sheriff in town, but his reign only lasted for two seasons. He was the last Conch coach to lead them to a district title in 95. In 95, we saw the Conchs unseat Monsignor Pace to win the District, and win the Sub-Regional Contest against Oakland Park NE at home, but lose the Regional Finals to Rockledge. Siegel is let go in the spring of 96. The Conchs started looking for a new head coach, and the list came down to three finalists, all from out of town, Bob Schweid, Fred Dennen and Mike Leach. The Conchs hire Dennen with his Wing T offense, but after just seven games, he is fired and long time Conch Bobby Menendez replaces him as the interim coach going 3-1. The search goes on for a new coach and after months of negotiations Conch great Gerry Hughes who had coached in Miami at Southridge and West Virginia University was coming home to take over. With his knowledge and discipline, the Conchs made the play-offs in 97 & 98. In 98 with only a 21man squad the Conchs have a winning record finishing runner-up in the District and had to travel to Belle Glade Central for the Regional Championship. The Conchs showed the huge crowd what fight they had going into half leading the contest. But for Key West, starting QB and MLB Leondre Washington gets injured and is out for the rest of the contest. Key West fights to the end but came up short.

Coach Hughes resigns at the end of the season, but the search for the next coach is short and they hire long time Assistant Coach/Psychology/Philosophy teacher Greg Kremer. 99 was a rebuilding year and it showed as the Conchs finished with a 2-8 record to end the decade.

Here is the list of Key Players in the 90's: Jesse Mitchell, Eric Hudson, Michael Ashe, Benny Lowe, Patrick Major, Jeremy Jackson, Lamont Woodberry, Vashon Watson, Anton Lopez, Jeremy Ashby, Maor Kainan,

Justin Cisneros.

## 2000's

A new millennium started, and the Conchs had a great season in 2000 going 7-4-0 and making the play-offs. The Conchs made a seven hour bus ride to play Rockledge in the Regionals. The stadium was packed with fans, and the Conchs battled but in the end Rockledge prevailed. In Coach Kremer's final season, the Conchs went 4-6-0 and no play-offs. Coach Pat Freeman takes over for his second stint as Head Coach. The Conchs went 4-6-0, but no play-offs and

in Coach Freeman's last season they went 7-3-0. He finishes his career as the all-time winningest coach with 87 victories and the longest tenured coach with 15 years. He was the only coach to take the Conchs to the State Finals. Long time Assistant Coach Robert James steps up to take over as the Conchs Head Coach. Coach James doesn't disappoint as the Conchs went 7-2-0 in his first season and qualify for the play-offs. The Conchs had to travel to Belle Glade Central for the game. In a contest that went back and forth, Key West was leading late in the 4th quarter. On a third and one, Poppy Marius took the hand off went to his right and dove for what appeared to be a three yard gain and a first down as he went out of bounds. The Coaches and team went crazy but wait a minute, the referee marks the ball back and Key West is denied the first down and it is now 4th down and one. With under 2 minutes to go, the Conchs elect to send in their reliable kicker. The snap was solid, the blocking was great, but unfortunately the punt went off the side of his foot for only 7 yards. Belle Glade has great field position to start the drive. Belle Glade scores a late TD and the Conchs lost the regionals, but as the tape showed, Poppy did make the first down. 04-06 proved to be Hurricane Central in the Florida Keys, as 12 named storms came very, very close to Key West. We saw games lost, practice time lost, and when Hurricane Wilma hit in 05, we saw destruction that had not happened in the Key's since the 50's. People lost their homes, families were displaced, but Coach James was able to keep tabs on his players, and they were able to finish the season. We even lost Homecoming that year. In 07 the Conchs faltered with losses to Mater Academy, and for the first time, a loss to Marathon High School. Key West finished the season 5-5-0. Coach James retired from coaching. In 08, Gerry Hughes came back to teach and take over for his second stint as head coach. The Conchs went 5-5-0 in his first season back. They qualify for the play-offs in a three way tie for the District Title with Edison and Belen. The district title is decided by a Kansas City Shoot Out where they draw the names out of a hat to see who plays the first quarter. Key West and Edison play first, and Belen gets the winner. The ball is placed at the 10 yard line, after the first attempt both Key West and Edison were still tied. In the second attempt Key West tries a field goal that went wide right. Edison got the ball and they attempted the game winning field goal, and it was good. The season came to an end. In 09, the Conchs end the decade 6-3-0, but fail to make the play-offs.

2000 TEENS:

Years 10 & 11 were winning seasons for Coach Jerry Hughes. Coach stepped down after the 11 season, The 17th coach of the program was picked by our new Principal Amber Archer Acevedo. Johnny Hughes will direct the Conchs. The District the Conchs play in is extremely difficult with private schools that recruit and a powerhouse in Miami Jackson. The Conchs go 6-4-0 in Coach Hughes first season, but don't qualify for the play-offs. In his second season, the schedule is very difficult and Key West finishes 1-9-0. The Administration, Athletic Director and Coach Hughes sit down and talk about Key West going independent. The decision was made and Key West drops out of District Play. The Conchs go independent and join the Gold Coast Conference in the fall of 14 with schools from Broward County.

In 14, their inaugural year, Key West has the season of perfection going 11-0-0 and winning the Gold Coast Conference. The following year 15, Key West meets their arch nemesis Archbishop McCarthy for the Championship. What a game it was with two schools who had running backs breaking records with each carry. The Conchs fall to the Mavericks in the contest, but Key West's Mekhi Sargent becomes the first Conch to rush for over 2,000 yds in a season. The following season 16, Key West faces Calvary Christian in the semi's and unfortunately drops the contest.

Key West then drops out of the Gold Coast Conference at the end of the season and Changes to the South East Conference with teams from Palm Beach & Dade County, but also re enters the FHSAA in 2017. The FHSAA changes the play-off format, and there are now 4 regions, 4 districts in each region. Only the District Champion qualifies for the State play-offs, the other four teams are decided by a point system the FHSAA has put together based on your record, your opponents' record and your opponents' opponents' record. The first standings don't come out until week six of the season. Key West qualifies and has to play Monsignor Pace at Pace. The game was supposed to be in Key West, but Pace receives a forfeit win in the last week and moved ahead of Key West. The Conchs play their worst game of the year and lose to Pace. The following year 18, the Conchs look like they will qualify for the play-offs but they need South Plantation to beat Plantation in a game in Broward County, because Coral Springs Charter has two of their opponents receive forfeit wins. For the Conchs, you learn to never put your faith in someone else, and that is exactly what happened as Plantation wins and Key West stays home.

In 19, the Conchs qualify as the number 7 seed and have to travel to American Heritage Plantation for the playoffs. Key West takes the opening drive and marches right down the field and scores to go up 7-0, and on the following drive Heritage fumbles and after a mad scramble, the Patriots come up with the ball. A bad break for the Conchs as Heritage puts it in overdrive and beats Key West to move on.

## **2020'S**

**2020, The year of COVID!!!!!!! No one knows what to do! Will there be sports or not? The FHSAA shuts down all sports on March 18, 2020. No player involvement is allowed at all. No meetings, no practices, nothing. All the coaches can do is call or do Zoom Meetings. The kids have to work out on their own at home. School is virtual for the fourth nine weeks of Spring 2020. What is going to happen in the Fall? The answers finally are made by our new Superintendent Theresa Axford and she determines that school will start virtually for the first 3 weeks, but there will be no sports. The FHSAA has determined that fall sports can begin, but they leave it up to each School Districts decide when they wish to begin. School Districts are scrambling on what to do. All Fall schedules go by the way side, as some schools begin play, others do not. The private schools all begin on time as they don't have to follow District rules. Superintendent Axford makes the decision that Fall sports can begin to practice September 5, except football which can begin to practice the following week, but only in helmets and shorts. No more than 10 athletes to a coach. After two weeks, with only shorts and helmets the pads can be put on. Coach Hughes scrambles along with our Athletic Director Sara Eckert to put together a schedule. Key West has a six game schedule and there will be no visiting fans allowed, and only the parents of our band, cheerleaders, and players to watch the games. Finally, Key West gets to play their first game against Westminster Academy in Ft. Lauderdale. They are not allowed locker room use, and they must dress in the buses and each bus is only allowed 25 people. The Conchs win the game and find out week two's game against Miami Christian has been cancelled. Key West ends up playing a five game regular season schedule going 4-1. The FHSAA gave every school the opportunity to decide if they wish to play for a State Championship. That decision had to be made by September 18. Coach Hughes, Athletic Director Eckert, and Principal McPherson decide we can. Key West opts in. The FHSAA decides that every school who opts in will be in the play-offs. Key West draws Northwestern, the number one team in the State as its opponent. The good news is, the game will be in Key West, the first play-off game in Key West since 1995.**

**Our Superintendent and school board make the decision fans will be allowed with social distancing, and the FHSAA determines that the visiting school can bring their band, cheerleaders, and must receive 250 tickets. Thank goodness TRMS is large. Athletic Director Eckert and Principal McPherson do a great job in seating and making space for everyone. The game is great and Key West down 28-6 at half, then mounts a great comeback. With the score 28-20 and under two minutes to go, Key West has the ball at the Northwestern 10 with first and goal to goal to tie it up. On the first play, Key West gets flagged for an unsportsman like penalty. The Coaches go crazy, and now the ball is backed up to the 25 yd line first and goal. Key West gets down to the 8 yd line and its fourth and goal with under 30 seconds to go. QB Will Andrews goes back to pass, Northwestern puts on an all out blitz, and Will's pass falls just incomplete to his**

receiver. What a game Key West gave the number one team in the State, who took a physical beating from the Conchs and Northwestern loses the following week.

2021, The Conchs will play all their home games in the Backyard, as Tommy Roberts Memorial Stadium will be getting a major face lift. The preseason contest was a home game as Pace fills in for Hialeah Champagnat who cancels at the last moment. The Backyard is packed and the game doesn't go the Conchs way. The opening game is on the road to unincorporated Naples to face Palmetto Ridge. Key West gives up two first quarter TD's and shuts them down but the offense could only get two TD's as well. The difference is 2-two point conversions. Key West loses 16-13. Game two is another long trip to play Port St. Lucie West. The bus ride was longer than week one and it showed as Key West was never in the contest losing 42-14. The first district game is against a team the conchs have never faced. St. Brendan fields a football team and is now in our district. The Conchs crush St. Brendan 55-0, with Preston Herce, and Jeremiah Osborne running for over 100 yards each and a combined 5 touchdowns. Michael Cates scores on an interception and pass play for 2 more touchdowns, and Axel Corraera kicks 8 touchbacks in the St. Brendan game to break and establish a new school record. Another new team on the schedule comes to Key West, Miami International Academy. Led by Preston Herce with another great performance, the Conchs crush the Hurricanes 47-12. Axel Corraera breaks the record for most touchbacks in a season. Next up is the 4th new school Key West will play, Gateway from Ft. Myers. Led by Preston Herce's 193 yds and 2 td's, with a relentless defense the Conchs win their third in a row 48-13. The biggest game of the year is Saturday vs Killian with the District Championship on the line. Giving up the opening kick-off for a Td to the Cougars, the Conchs bounced right back with a drive of 73 yds for the tying Td. The cougars returned another kick-off back to the conchs twenty and scored immediately. Key West mounted another drive but were stopped on a fourth and one and Killian took over from there and won 46-7. The Conchs take care of Jackson 31-6 with Mike Td Cates scoring 2 td's. The Conchs dominate Surge Academy 63-6 on senior night. They were led by James Reynold's three td's. With 3 runners gaining over 100 yds each, Key West was unable to stop the Firebirds wing T and lose 49-27. Now everything hinges on the game with Dade Christian if Key West wants to get into the play-offs. The homecoming game was billed the Conchs Superbowl. Rosa Nafere is the queen. The Conchs jump out to an early 14-0 lead, but just like the Doral game, Key West was unable to hang on and lose 54-35. Preston Herce rushed for over 100 yards for the 14th time in his career, and Axel Corraera breaks the record for touchbacks on Kick-offs. With the loss the Conchs will not advance into the play-offs, and the off season begins.

2022, Coach Hughes pulled together a schedule of 11 games with 10 being played at home which includes the preseason. In front of 1,100 fans the Conchs behind Adrian Mira's leadership win the Preseason Classic 25-6 against Cypress Creek. The Home opener against Palmetto Ridge didn't fair well as the Conchs came out flat, fell behind early and never got back into the game. Key West Loses 22-14. Boca Raton comes to town and thrashes the Conchs 37-0. Tru Prep Academy beats Key West 40-20, but in a strange turn of events, Tru Prep plays 6 ineligible players, and Key West Receives a 2-0 forfeit win. Gibbons comes to town as the two time defending State champs, and they show the Conchs just how good they are with a 63-7 win. Hurricane Ian came closer to our island than anticipated, and schools are shut down. It blows up the Southwest coast with incredible winds and massive storm surge. We don't know how the schools faired in Lee County. Destruction from Ian leaves Lee County with no electricity, sewer, or running water!! We don't know if we will play any of those schools that are in our District. Our thoughts and prayers go out to everyone from Collier, Lee, and Charlotte counties!! Two weeks after Hurricane Ian, the Lee County Athletic Directors give the go ahead for practice to resume as well as games even though the students aren't back in school. Estero came to town,

and in a wild game where the Conchs shot themselves in the foot giving up two scoops and scores, Estero escapes with a 42-37 win. The schedule has changed and Key West will now travel to Coral Shores for a big county showdown. Hitting the road for the first time, the Conchs win at Coral Shores 25-13. Taking the 5 hour ride to Lee County, the Conchs handle the eagles of Gateway 27-3 behind James Reynolds 157 yards rushing. Heading into the last regular season game which will be a make-up district game. The Conchs know the importance of this game with Bishop Verot as the play-offs are at stake. The Conchs receive a letter from the FHSAA stating that they will not enforce the forfeit win to Tru Prep, and the Conchs have to take the loss. Something is not right, but with that information, the game with the Vikings is for all the marbles as far as the chances of moving onto the play-offs. The Conchs lose to Verot. Key West misses the play-offs and the season comes to an end.

2023, Coach Hughes and the boys kick off the season with the Preseason against Trinity Catholic, the State Runner-up from last season. The Conchs only play their starters in the first half. Trinity is the real deal and win 59-13. Key West will start the season on the road with a five hour trip up to Clewiston (Big Sugar). This is only the second meeting between these schools. It is a great game as these two schools could meet up again in the play-offs. The game is back and forth, but for Key West, they turn the ball over 6 times, and couldn't come back and lose the opener 28-21. Jaden Fox leads the Conchs on offense with 175 yards on the ground and Shane LaValley has two sacks and a huge tackle for loss on the defense. The Conchs open the home schedule with a loss to IMG 41-21. Key West has the lead 14-13, but the momentum changes and IMG gets on a roll scoring on their next three drives to put the game away. Aidrian Mira rushes for 132 yds, Leo Baptista scores three touchdowns, and defense that was relentless, the Conchs crush the Thundering Wolves of Oxbridge 44-16. The Conchs and the Titans match up for the first time and in a game which was close at the half. The Titans took advantage of three Key West turnovers and beat the Conchs 38-14. The turnover bug still plagues the Conchs. The Christians take advantage of three turnovers and beat Key West 41-17. Marco Davila kicks a 33 yd field goal, and Walson Morin runs for 100 yds and two td's to lead the Conchs. In first district contest, Key West runs into a buzz saw losing 54-14 to Bishop Verot. Verot scored on all 7 possessions. Walson Morin was the bright spot with an 80 yd TD run

and a Kick-off return for a touchdown. Led by Walson Morin with over 200 rushing yards and 3 TD's, and Aidrian Mira's two Td's the Conchs spoil the bulldogs homecoming with a 35-12 win. Key West travels to Estero for a District showdown. The Conchs must have this game if they want to stay in the play-off hunt. Maliki Allen rushes for over 200 yards and the Conchs could never dig themselves out of the hole. Noah Mercer catches a 52 yd TD, and Marco Davila kicks a 36 yard field goal to lead the Conchs, but it was not enough as Key West loses 28-9.

It's Homecoming and the Conchs don't disappoint the home fans. They have runs of 76, 65, 49, 21, & 21 yds by three different players to lead Key West to a 42-0 win. Marco Davila breaks the career Touchback Record, and Dedra Dor is the 2023 Homecoming Queen. Heading into the last regular season game, the Conchs needed a victory and a Booker loss to secure a place in the state play-offs. The opponent was the undefeated Mavericks of Archbishop McCarthy. At the end of the first half the Conchs trailed 14-13. Key West couldn't get the offense in gear in quarter number 3, while the Mavericks scored three touchdowns to take a commanding lead at the end of the quarter 34-13. Key West would comeback and score 34 points in the fourth quarter but it wasn't enough as McCarthy scored 17 points in the 4th quarter to hold on for a 51-47 victory. 98 points is the most combined points in a Key West game, and unfortunately the season comes to an end.

**2024** After a three year absence from Tommy Roberts Memorial Stadium while the renovations got completed, the Conchs return to their historic stadium to play. New bleachers, locker rooms, concession stand, bathrooms, athletic grass, play clocks and a huge Press Box high light the stadium. For this Senior Class it will be the first time they have stepped on the field to play a game. The huge crowd and a fired up Conch team brought Tommy Roberts Memorial Stadium back to life and the Conchs beat the Coyotes of Cypress Creek 45-21. The offense had over 500 yards of offense led by Jaden Fox and Walsin Morin who combined for over 400 yards on the ground and 5 touchdowns. Game one, a monsoon deluges Key West and the Tommy Roberts Stadium is flooded out. AD Andrew Freeman and Principal Rebecca Palomino, make the decision to move the game to the Backyard. The Conchs don't disappoint. Led by Jaden Fox who rushed for 178 yards, Walsin Morin's 90 yard kick-off return and a defense that smothered the tigers, Key West defeats Clewiston 35-6. A game the Conchs wish to forget, IMG recovers 8 fumbles and turns four to them into Touchdowns to beat Key West 28-0. Too little too late as the Conchs get a fourth quarter rally and score 14 points as Walsin Morin scores two touchdowns but fall to the Canyons 20-14. Jaden Fox leads a Conch rushing attack that amassed over 450 yards as he rushed for over 200 yards and scored three touchdowns as Key West wins 36-7 over Belen. A game marred by penalties, the conchs win again as Teak Guyet passes for a TD and Jaden Fox leads the ground game with over 130 yards and three scores as the Key West beats NorthPort 33-21. The Conchs have to wait to play the Sabres as hurricane Helene stops all sports. Key West travels on Saturday to play St. Brendan. Jaden Fox rushes for 197 yards, two TD's, Walsin Morin adds two TD's and Teak Guyet passes to Chace Gaertner for a score as the Conchs romp past

St. Brendan 35-14. The streak continues as Key West beats Killian 42-29 behind Walsin Morins 214 yards and two TD's. The Conchs have won 4 in a row heading into the Northwestern game. Key West takes the opening drive and goes 80 yards to take a 7-0 lead on the Bulls. Teak Guyet gets injured and can't play in the second half and with the back up qb out, Jaden Fox has to take over the quarterback duties. Key West never quits, but Northwestern is too tough and wins 50-14. Key West racks up the programs 400th win by defeating Jackson 24-19 and secures a spot in the State Play-offs. Coach Hughes gets win number 70, and the Conchs beat county rival Coral Shores 28-7. The Conchs don't disappoint the Homecoming crowd and Tricia Deroche is the 2024 Queen.

Key West finishes the regular season 7-3 and end up the two seed in Region 4. Key West will host the 1/4 Regionals playing against Estero. The 29 year drought ends as a ferocious defense gets four take aways led by Josh Johnson's strip and score on a 99 yd run and new school record. Jaden Fox rushes for 139 yds and 4 TD's, and Roman Van Loon throws for a score to Cole Jackson as Key West crushes the Wildcats of Estero 42-7. The Red Out works and the Conchs are home for the Regional Semi Finals against Cypress Lake. In a wild game, that saw a blocked punt recovered for a score, three goal line stances, it was a field goal late in the game that made the difference. Key West and Cypress lake go toe to toe in the craziest game of the season. The conchs ran the ball all night and the panthers passed the ball all night. Key West was driving late in the game when the ball got punched out of the Key West running backs arm, and the panthers recovered and ran out the clock to win the Regional Semifinal 24-21. It was a fantastic season that exceeded everyone's expectations. The final record ends up 8-4. Congrats Conchs on a fantastic season.
